Vernon site plan Feb 2015 - 300K sf.pdf

Hi Carmen,

It's my understanding AMEC sent you the soil management plan for your review. After you've had a chance to review it can we discuss whether there is any impact to the proposed site plan.

Thanks,

Alex

Hi Carmen,

Hope all is well. As previously discussed this is a rough draft of the site plan for the northern 15 acres of the Pechiney site.

Please let me know if you would like to further discuss with Kevin and I.

Thanks,

Alex
